THE SUCCESS CENTERS ANNOUNCES DATE FOR ITS 5TH ANNUAL HIRING AFFAIR.

MAY 8th 2019

San Francisco CA - The Success Centers is pleased to announce its 5th annual employment extravaganza titled the **Hiring Affair**. Much more than a Job Fair, The **Hiring Affair** is an event that will feature job opportunities, resources, entertainment, and live music in a festive environment, serving as both a community event and public service.

"Our goal," says Job Developer, Keith Hazell, "is to inform the community that there are a plethora of job opportunities available to the citizens of San Francisco at competitive wages." With unemployment rates at an all-time low, employers are struggling to identify quality job seekers to staff their establishments. The **Hiring Affair** connects these employers to hundreds of capable job seekers.

This annual spring-time event has consistently bridged the gap between employers and job seekers on a large scale. Last year the event netted 55 employers and 10 resource providers who engaged with over 300 attendees. This annual affair allows the candidates to connect with jobs and careers in a way that is interactive and energetic.

Aside from great jobs from corporations like Walgreens, Applebee's and Safeway, local businesses like Wise & Sons Bagels are also looking for employees.

The Success Centers a pioneer in the budding industry of cannabis, helping equity candidates who have been adversely affected by the war on drugs to gain employment. There will be several cannabis companies at the **Hiring Affair** to offer opportunities from delivery drivers to marketing managers from budtenders to sales associates.

There's still time to register if you are an employer looking for candidates. Or if you are a job seeker, come dressed for success and bring your resume because many employers will be interviewing on the spot!

The **Hiring Affair** will be held Wednesday May 8th at noon at 1449 Webster St, San Francisco.
