**SC Computer/Digital Literacy Training Program-** The Success Centers Digital Literacy Pathways track is a wonderful way to start dipping your toes in the sea that is technology in the 21st century. We go over the basics of Computer Literacy, safety tips for navigating the web, key differences between software and hardware, etc. The course also Segway's into some of our more specific offerings in Success Centers, such as our Code on Point program, and includes six (6) different Microsoft Digital Literacy Certificates, that not only look great on a resume, but also highlight the achievements that each student makes by the end of the track.

Our Computer Literacy Training is on-going and can be completed in as little as 8 weeks (about 2 months). The certifications are in a self-paced format to adapt to all sorts of different allocations one might have with their respective times.

**Code on Point-** A 41-week technology training program which equips its participants with fundamental skills in IT, Design and Software Development. This program aims to develop the technical and soft skills of its participants so they may realize a professional career trajectory in technology.

**Construction Training Program-** Learn and Earn while participating in our intensive, hands-on training and get the support you need to secure your needs.
